Dear Mr. Warnock:

Pursuant to your request of September 13, 1974, and subsequent request of December 23, 1974, permission is hereby granted, subject to the actual allottee or heirs of the allottee objecting at a later date, for access rights across the extreme NE corner of Section 24, T13N, R11W, N.M.P.M., identified as Allotment No. 059419.

Such access road shall be confined to a small triangle area, approximately twenty (20) feet on each side in the immediate NE corner of Section 24.

When your operations cease, the area disturbed shall be restored to as near the original conditions before such disturbance and if necessary, to be re-seeded as determined by our Agency Branch of Land Operations Officer.

We would appreciate your notifying us if the allottee or heirs of the allottee raise any objections.

Sincerely,

U.S. EDWARD O. PLUMMER

Superintendent
